Sir:

This paper is submitted in connection with a Notice of Appeal and a Pre-Appeal Brief Request for Review that was earlier electronically submitted on February 2, 2007 for the above-identified patent application. Upon a review of the documents in PAIR, it was discovered that, although the Notice of Appeal did have the electronic signature of the undersigned in the Certification of the Notice of Appeal, it was inadvertently omitted in the signature line. Therefore, the Notice of Appeal is herewith resubmitted by Applicants in order to provide an electronically signed copy of the Notice of Appeal for the file history. As the fee for filing the Notice of Appeal was previously submitted, no fee is believed to be due with this filing.

If there are any questions regarding this paper, or which might otherwise further this case onto allowance, please contact the undersigned at (513) 241-2324. Moreover, if any other charges or credits are necessary to complete this communication, please apply them to Deposit Account 23-3000.

Respectfully submitted,
